

Middle East Electricity 2017

Dubai, UAE
February 14-16, 2017

Middle East Electricity is the largest international trade event for the power industry, covering the generation, transmission and distribution of electricity, the renewable and nuclear energy sectors and the lighting industry. Each year Middle East Electricity welcomes more than 1,500 international exhibiting companies and over 21,000 senior level industry decision makers from 130 countries. In its 41 year history, Middle East Electricity has proven to be able to grasp market developments to become a sound point of reference for Middle Eastern, North African and global power and electricity businesses.

Target Industries: Power Generation, Transmission, Distribution, Renewable & Nuclear Energy, and Lighting

Deadline to Register: December 9, 2016

Cost to Attend: \$5,000*

*50% non refundable deposit due at time of registration.

MO STEP=UP funds can reimburse eligible firms up to 70% of participation fee and limited airfare and lodging costs.
